

## BSUR BAUS Representative Vacancy

### Job Description

- Work collaboratively with BAUS section of endourology to support audit, research and training with respect to endourology
- Provide expert advice on imaging and interventional radiology related issues after consultation with the committee and members
- Attend quarterly virtual meetings
- Support BAUS in educational events and deliver presentations on request, or approach suitable speakers
- Work collaboratively with the research/guidelines officer to advise BAUS on imaging guidelines

### General Committee Duties include:

- Attend quarterly virtual committee meetings to plan the annual scientific meeting, discuss issues related to urogenital radiology and respond to communication from RCR and other specialist societies
- Work collaboratively with other committee members to serve the requirements of the BSUR members and other stakeholders
- Actively participate at the AGM and ASM
- Provide educational content to the website
- Participate in the RCR i-Refer panel

### Criteria for the appointment of the BSUR BAUS Representative member:

1. Consultant Radiologist with special interest in Urogenital Radiology, on the GMC specialist register.
2. Must have an interest in urogenital interventional radiology.
3. Should ideally have attended previous BSUR meetings or allied courses / conferences in order to demonstrate a track record of Urogenital imaging interest.

### Application:

Please send a personal statement (which should be no more than 250 words long) along with a short CV explaining why you wish to take on this role and how you would contribute to BSUR to [enquiries@bsur.org.uk](mailto:enquiries@bsur.org.uk). This will be forwarded to the BSUR Committee for evaluation and you will be informed of the committee's decision.

**Closing date:** September 4<sup>th</sup> 2025
